

## Corporate Press Release

10<sup>th</sup> January 2011

### **New Members in the Corporate & Business Development at Norgine**

Norgine is delighted to announce that Allison McAulay and Janet Granger have joined the Norgine Corporate & Business Development team as Business Development Manager and Evaluation and Alliance Manager respectively.

Both Janet and Allison are highly experienced managers and they will be a valuable addition to Norgine's Corporate and Business Development Department.

Janet joined Norgine in 2007 as Project Manager within Product Development. Prior to Norgine, Janet worked for Stiefel Laboratories for 13 years, the last 7 of which were in Project Management.

Allison joined Norgine in January 2007 in the role of Global Market Research Manager. Allison has also worked at Schering AG in Berlin in European Marketing and Global Marketing.

#### **Notes to editor:**

Norgine is an independent, successful European specialty pharmaceutical company that has been established for over 100 years and has a presence in all major European markets. In 2009, Norgine's net product sales were £253 million, the 23rd year of double-digit growth at constant exchange rates. The company employs over 1,200 people.

Norgine's focus is the development and marketing of pharmaceutical products that address significant unmet clinical needs in areas such as gastroenterology, urology and supportive care.

The company currently markets a range of products in various markets in its key therapeutic areas e.g. MOVICOL® for the treatment of constipation and faecal impaction, MOVIPREP® a bowel cleansing preparation, KLEAN-PREP® for bowel preparation prior to colonoscopy, XIFAXAN® for the treatment of travellers diarrhoea and ORAMORPH® for the treatment of moderate to severe pain. Norgine is active in research and development and currently has products in various stages of clinical

development. Norgine manufactures most of its own products in Hengoed, Wales and Dreux in France. [www.norgine.com](http://www.norgine.com)
